

Surrey League Cross Country Race 2 - Guildford

General Info

Start times

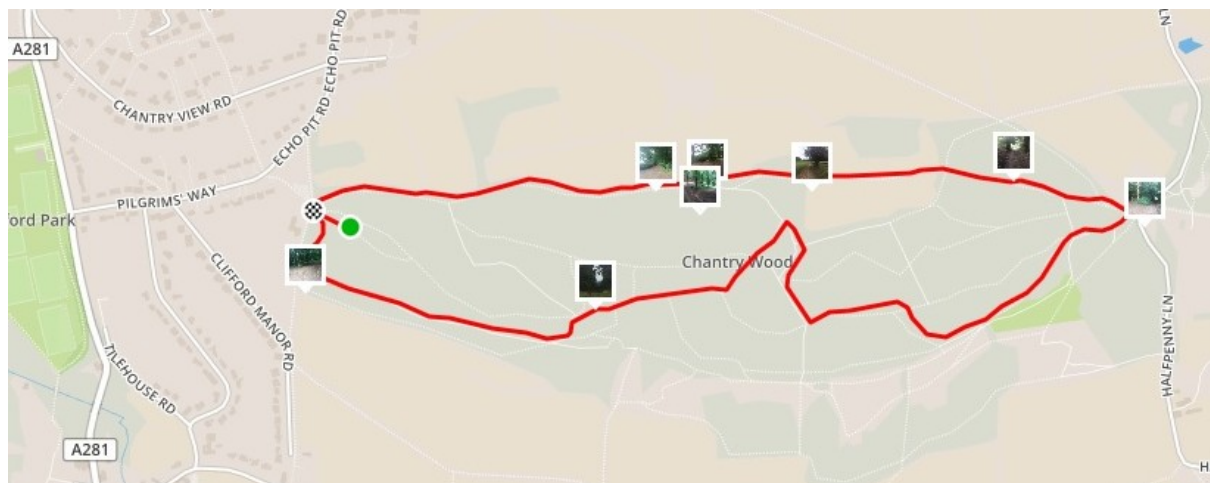

Division 2: 3pm

Location Postcode GU4 8AW Start finish area at clearing 100m up from the Chantries Car Park.

I attach a map detailing the location of the start, and of the course. It is suitable for spikes or Trail shoes, although due to the flinty/stony nature of some of the terrain, long spikes are not advised.

The course is undulating in nature with a long steady climb following the downhill dash off start of 200m and a sharp Right turn. The rest of the course is mixed underfoot ranging from grass, track, Sand and woodland trail some technical sections with a sweeping long descent back to the start area for the

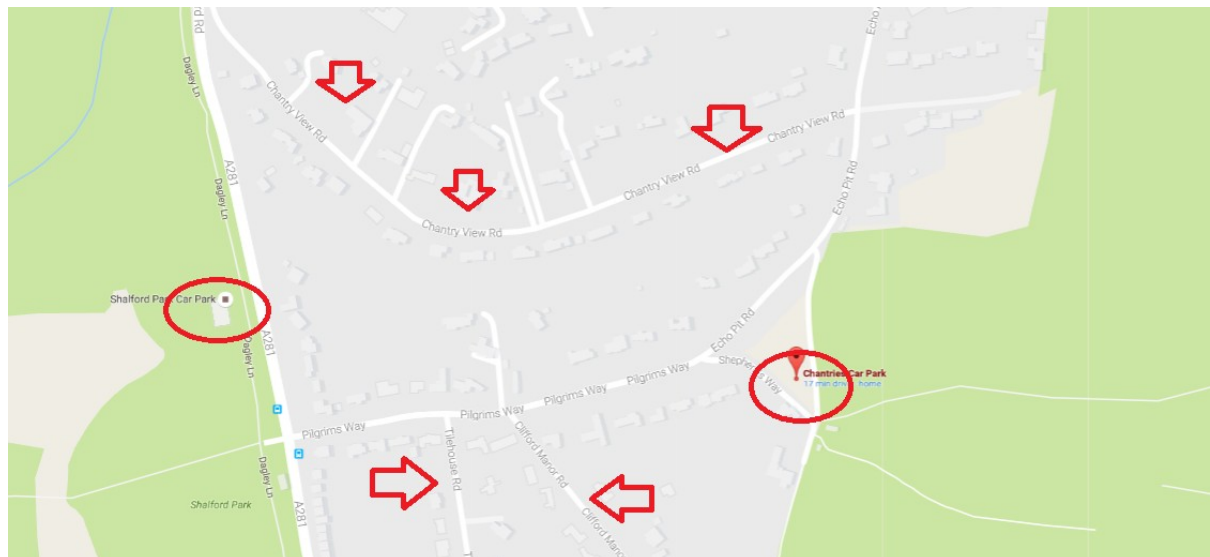

second lap.

The course is 5.0 miles in length.

Parking - a small car park at the head of the course.

Also within 400m several roads marked with red arrows with on street parking for 2 hours,

Public pay and display Car parking also available to the south of Guildford Town Centre Millmead Carpark.
